October 18, 2003

Dear Mrs. Farmer:

I participated by telephone in the October 7 hearing ( Docket No. T-03889A-02-0796 ) concerning Livewirenet, vs. Utility Division Staff. As a respondent in this case, I have carefully followed and participated in every hearing.

On October 7, Mr. Wetherald noticed the court that he would be representing himself in future hearings before Judge Dion. Judge Dion made it perfectly clear that any motions filed by Mr. Wetherald be properly done, further explaining to Mr. Wetherald that copies be mailed to all respondents. I did not receive Mr. Wetherald's motion for a continuance, only Staff's response to Mr. Wetherald's request. I believe that this directly contradicts Judge Dion's instructions to Mr. Wetherald.

Would you kindly forward this letter to Judge Dion. I would like for Mr. Wetherald to forward copies of his motions to me as requested by Judge Dion.

Respectively yours,

Travis Credle
